### OUR FAUTHFUL GOD

By Pastor Luvirt

I've been reflecting and thinking a lot on the faithfulness of God. Reading through the Book of Genesis, I've noticed the messiness of the lives of the patriarchs. In the midst of their complicated and crazy situations, God remained steadfast in His love and commitment to His people. As we continue to seek God, it is comforting to know that God is still faithful to us in spite of what may seem crazy on the surface. 1 Thessalonians 5:24 reminds us of two important realities:

*He who calls you is faithful;  
He will surely do it.  
(1 Thessalonians 5:24)*

1 – God has called us. The Scriptures remind us that we have received an invitation from God to be in His family and to serve in His kingdom. It's comforting and humbling to think that God, in His love, decided to call us. At the same time, it is frightening, because sometimes we may struggle with our own inadequacy and frailty. However, the next part of this passage assures us of a bedrock truth about God.

2 – God is faithful. God's faithfulness to us, like His faithfulness to the patriarchs, is a guarantee that God will finish what He started in us. Whatever God has called you to, He will see you through.

I'm so glad we serve a faithful God. As we continue on our journey with God, we can rest assured that His promises are truth and that He is faithful to finish what He started.
